Pinky and The Brain [coloring pages](#) are upgraded Lab mice from Acme's Acme studio. The experiment could have gone horribly wrong should Brain is allowed to rule the world. His desire to take over this world has been the main goal of each episode. Fortunately that the Brain isn't quite as smart as he thinks. If you were a fan of the show in the late 90's, you can stream this fantastic cartoon on the internet. You can also color them your heart's satisfaction. Get all coloring pages no cost.
